Hello

Sorry we don't have the facility - paper plans will be great. We are only a small council consisting of 6 councillors.

See you then!

Kind regards,

Victoria Nuthall
Clerk to the Council and Responsible Finance Officer

Dear Victoria,

Many thanks for confirming, that would be great thank you.

It will be me and Ben Wallis (from the architects ADP) attending. Do you by any chance have a screen / projection display available for us to run a powerpoint presentation, or would it be easier if we bring paper plans with us?

Kind regards

Jeremy

Hello Victoria.

Has this been brought forward a week, only it was listed on the PC website as 15th June until recently? Provisionally that would be great, thank you. However before confirming I need to check with colleagues if that is alright?

What time will the meeting be held please and which venue?

Kind regards

Jeremy

Dear Victoria,

I wonder if I might follow up on my previous email about making a short presentation about the proposals to members of the Parish Council at the Council meeting scheduled for the evening of the 15th June?

Would it be possible to book a slot, and if so do you need me to do anything else to firm up on this?

Kind regards

Jeremy

FAO Victoria Nuthall, Parish Clerk

Dear Victoria,

Bluestone Planning is the planning consultant retained by Oxfordshire County Council to support them in their proposals to develop a new school hall at Tetsworth Primary School.

As part of that process, in June we will be engaging with key stakeholders to seek their views on the proposals as they emerge. The intention is to hold an event for the community to view the proposals and feed back comments during the day on the 15th June, and I am writing to see if it would be possible to make a short presentation about the proposals to members of the Parish Council at the Council meeting scheduled for the evening of the 15th June as well.

I anticipate it will be me and one of the project architects attending the meeting.

We would be very happy to answer questions after the presentation, should Councillors wish to explore the proposals in further detail.

If this is something that Councillors are agreeable to, I would be grateful if you could let me know whether you need any information beforehand, and also confirm the time we should attend the meeting. If there are any other matters to be aware of, please let me know.

In the meantime, please don't hesitate to contact me if you have any questions.

Yours sincerely,

Jeremy Flawn
